

Dear Global Colleagues:

I've been brainstorming with other globally minded individuals, and we need your help! Tom Lyon of Heifer International and administrators at the Smithtown Historical Society want to meet with us to discuss potential projects, such as creating a community garden and creating a global village (<http://www.heifer.org/visit/site-sponsors>). We want input on how to design such projects to meet your students' and this community's needs.

Please share this email with anyone you think would like to join in the discussion. No obligation—just send us your e-mail and we'll keep you in the information loop as things progress. In the meantime, check out the attached flyer and Newsday article link to find out about next Monday's multicultural, interfaith effort to end childhood hunger: <http://www.newsday.com/long-island/suffolk/groups-asked-to-help-fight-childhood-hunger-1.3437496>. It would be great to see some Smithtown community members there in celebration of Martin Luther King Jr. Day J

RSVP to be on this year's Global Education mailing list by sending a request to Terry Giarrizzo at your earliest convenience: tgiarrizzo@smithtown.k12.ny.us.

Happy new year to all!

Jen Bradshaw and the Global Education Committee
