School is back in session and once again,

PTA needs your support!

Please take a moment to complete this form below and return it to school on the first day in an envelope marked PTA, with the \$8.00 annual dues for each parent membership.

We also need your help!

If you have the time, we would greatly appreciate your assistance!
We have many committees, which are in need of volunteers.

Please attend the first PTA meeting on September 10th and hear the exciting plans PTA has in store for your children!

Thank you!
